Invited trainer: Hui Serene Orth (DVAG)

Registration: <https://terminplaner6.dfn.de/p/c9383d077ff097006417b540d191fab6-1069727>

Want to take control of your financial future but not sure where to start? In this Lunch Talk, we'll break down the basics of ETFs and stocks, helping you understand the key differences and how they can work for you. We'll also dive into sustainable ETFs, risk levels, and smart investment strategies—so you can decide what fits your goals best. How much money do you really need to start investing? Which brokers are trustworthy, and how do you open an account? We'll answer these questions and more, including how to spot independent financial advice and avoid common pitfalls. Investing doesn't have to be complicated—join us and take the first step toward financial freedom!
