Your Talent – Our passion as a Top-Employer in Medical Technology!

Stryker is one of the world's leading medical technology companies and is dedicated to helping healthcare professionals perform their jobs more efficiently while enhancing patient care. The Company offers a diverse array of innovative medical technologies, including reconstructive, medical and surgical, and Neurotechnology and spine products to help people lead more active and more satisfying lives. Stryker deals in products for Hips, Knee, Shoulder Trauma, Foot & Ankle, and Ortho, Power tools Endo, Neuro, and Spine etc. Stryker's products and services are available in more than 100 countries.

Stryker offers a variety of entry and development opportunities in an innovative high-tech environment. We focus on the talents and strengths of our employees to help them to learn and grow.

This virtual event gives you an insight into different areas within Stryker. Colleagues from different departments (based on your backgrounds and interests) will present their work area, current projects and products and their own career paths. In addition, you will learn about career opportunities for joining Stryker from one of our recruiters. This event will be a 1.5 – 2 hour interactive session where you have the opportunity to get to know Stryker a little bit better and to connect with Stryker employees.
