

Dear friends of life sciences,

We invite you to our ScieCon digital career fair:

On **Thursday-Friday, July 2<sup>nd</sup> and 3<sup>rd</sup> 2020**, (10:00 -17:00) the event **ScieCon goes digital** will take place.

Our **ScieCon** (Life science company contact fair) goes online!

You can expect many companies in the field of life sciences, with all important trade fair program items.

On the first day, you can have a personal live chat with the company representatives at virtual stands, a live job interview, interesting lectures, career advice and CV check. The second day is dedicated to develop your soft skills around the topic of career entry and career, during webinars on LinkedIn presence, a salary analysis and much more!
