

## Kite-mentoring Annual Network Meeting

We are excited to invite you to a special evening:

The traditional **Annual Networking Meeting** of kite-mentoring at the University of Freiburg!

On **October 25, 2024**, kite-mentoring will open its doors again to offer you an inspiring platform for exchange, networking, and career development.

### Why should you attend?

This event is more than just a gathering – it's your opportunity to connect with like-minded peers, gain valuable insights into related companies, and actively shape your future. Particularly in the fields of **Natural and Life Sciences and Engineering**, exciting career paths await you, and this evening will bring you closer to them. **Representatives from leading companies** in Natural and Life Sciences as well as Engineering will be available to answer your questions and provide insights into current projects and career opportunities. An experienced expert will open this event and share her perspectives and experiences in a **keynote lecture**, offering you valuable insights for your own career journey.

The evening's guests include current mentees and alumnae, representatives of other mentoring programs, representatives of universities and industry partners as well as interested women from the university.

Don't miss this unique opportunity to be part of a vibrant community that grows and supports each other. We look forward to welcoming you in person and spending an evening full of exciting encounters and new insights together.

**Date:** Friday 25.10.2024, starting 17.30

**Location:** Faculty of Engineering, Univ. Freiburg, Georges-Köhler-Allee 201, IMBIT

**Registration:** <https://terminplaner6.dfn.de/de/p/547ae2874842a2501ffc3cc75dd79b17-844001>
