Career Workshop

Success skills in science: How to write a better doctoral thesis?

with **PROF. DR. SANAZ TAROMI**

Date: Saturday, **10.08.2019** (09:30-17:00)

Location: University of Freiburg, Faculty of Engineering,
Georges-Köhler-Allee, 79110 Freiburg
Building 078

Objective of the seminar:

The elective subject "How to write a better thesis" is aimed at PhD students in technical and life sciences. It provides guidance on how to direct writing projects in early career steps to achieve greater success.

Key aspects:

- attributes of a successful thesis
- guidelines for examiners
- what is required to write a thesis
- writing style
- writing tips
- elements of formulating research questions
- purposeful writing of different kinds of chapters

Methods:

- presentation and discussion
- practical exercises in pairs
