

Roche Continents 2023

Roche Continents brings together 60 students from European universities to challenge the boundaries of their thinking around science, art and innovation. Participants will engage with renowned scientists and artists, be exposed to thought-provoking research, participate in workshops, and network with each other.

- Application deadline: **March 27, 23:59 CET**
- The programme: **July 16-22, 2023 in Arles**
