

Program in the run-up to the International Day of Women and Girls in Science

To mark the 2021 International Day of Women and Girls in Science on February 11, the Cluster of Excellence CIBSS at the University of Freiburg is hosting a film screening and a panel discussion. Together with the panelists we will discuss the barriers to gender equality and how they can be overcome to achieve a brighter future for women scientists and for science itself.

Documentary screening – PICTURE A SCIENTIST

Free, on-demand screening available for 48 h starting Sunday, February 7, 11:00. *

* Register at tinyurl.com/CIBSSPicSci until February 5, 12:00.

Screening is open to Uni Freiburg and MPI-IE only, the screening is free but spaces are limited! Participants will receive a screening link after the registration deadline has passed.

Panel Discussion – Closing the Gender Gap in STEM

Wednesday, February 10, 2021 | 15:00 - 16:30 **

** Register at tinyurl.com/WomenSTEMpanel

There will be an opportunity for audience members to ask questions and share their thoughts.
