

# 3rd Career Apero Pharmacist Careers at Roche

At Roche, our success is built on innovation, curiosity, and diversity – multiplied by 94,000 professionals in 100 countries. By challenging conventional thinking and ourselves, we've become one of the world's leading research focused healthcare companies.

With this event we give you the opportunity to get an exclusive insight into how a pharmacist career at Roche could look like. You will meet colleagues from different departments, different career levels and also have the

opportunity during the networking apero to ask all your questions regarding a career in industry.
