

# Women in STEM

VIRTUAL MEETUP

**September 30, 2020 17:00-19:00**

Dear Women,

I am looking forward to seeing you all on Wednesday, September 30 at 17:00 for our second Women in STEM Virtual Meetup.

Here is the Zoom Link:

<https://zoom.us/j/97860161238>

I am also pleased to announce that Shawna Lucey will be our speaker for the evening. While Shawna's background isn't in academia, she has a very interesting story to share about building resilience in a male-dominated field. You can find a little more information about her below.

Remember to please make sure to turn on your video cameras and that you have the ability to use your microphone. There will be some discussions and networking after the talk, so being seen and heard is imperative.

If for some reason, you can't come, please send me a message at [info@francescacarlin.com](mailto:info@francescacarlin.com)

I'll very excited to see you there!

Best wishes,

Francesca
