

Dear friends of life sciences,

We invite you to our **Second ScieCon** (Life science company contact fair) digital career fair:

On **Wednesday-Thursday, November 11th and 12th 2020** the event **ScieCon - Digital November** will take place.

You can expect many companies in the field of life sciences, with all important trade fair program items.

On the first day, you can have webinars, interesting lectures, career advice and training opportunities and a free CV check (with A.S.I.). The second day is dedicated to the fair, you can have live-chats with the company representatives at virtual stands, a live job Interview (with ROCHE), to develop your soft skills around the topic of career entry and career, panel discussion "Break the stereotype" and much more!

For more details please visit our homepage: <https://bts-ev.de/scn-digital/>

Freiburg
